REGIONAL INSPECTORATE OF ENVIRONMENT AND WATERS - BLAGOEVGRAD
Beneficiary partner 6 in the Project with Acronym "BIO2CARE" (Ref. No.1890)
Bulgaria, 1 Svoboda Str.,2700, Blagoevgrad

INVITATION

Dear Sir/ Madam,

The Regional Inspectorate of Environment and Water is pleased to invite you to the presentation and discussion of the results achieved by the implementation of the project "Reinforcing Protected Areas Capacity through an Innovative Methodology for Sustainability" with acronym „BIO2CARE“, funded by the INTERREG VA COOPERATION PROGRAMME Cross-border program "GREECE - BULGARIA 2014 - 2020", co-funded by the European Regional Development Fund (ERDF) and national funds of the participating countries.

The event will be held on December 11th, 2020 at **10:30 AM**, online (webinar), and all registered candidates will be allowed to participate.

During the event will be presented project results, conclusions and policy recommendations.

Registration information:

All participants who want to register can apply by filling in the attached registration form and providing a valid e-mail. Due to technical reasons we kindly ask you to provide the filled registration form no later than **December 9th, 2020 to the following address: office@riosvbl.org**

After registration each participant will receive a link for access to the webinar. When select the link text field with instructions will appear. Then enter your e-mail address in order to receive access to the platform.

Application: Registration form.

Best regards,

ANGEL GEORGIEV

Director of RIEW - Blagoevgrad
